

DP WORLD, PCFC SECURITY DEPARTMENT SIGN STRATEGIC PARTNERSHIP TO ENHANCE EFFICIENCY

Dubai, United Arab Emirates, 3 September 2012:- DP World, UAE Region, the leading regional marine terminal operator, announced today (September 03) that it has signed a strategic partnership document with Ports, Customs & Free Zone Corporation (PCFC) Security Department to strengthen and provide greater strategic depth and efficiency to security operations at its port facilities in Dubai.

The document, signed in DP World Head Office by **Mohammed Al Muallem, Senior Vice President and Managing Director, DP World, UAE Region, and Mahmood Amin, Chief Executive Officer of PCFC Security Department**, aims to achieve enhanced alignment of planning, training, crisis management, and information exchange of security related activities at Jebel Ali Port, Port Rashid and Al Hamriya Port.

Mohammed Al Muallem, Senior Vice President and Managing Director, DP World, UAE Region, said:

“The total safety of our terminals is an absolute priority. At DP World, UAE Region we regard security as a baseline service provided to our customers to protect people and assets. This document will strengthen our strategic relationship with PCFC Security Department at DP World’s flagship Jebel Ali Port, which has the world’s most advanced Integrated Security System, and our other facilities in Dubai.”

Mahmood Amin, Chief Executive Officer, PCFC Security Department, said:

“This document will ensure that our decade old partnership with DP World, UAE Region will continue to pursue its objectives of ensuring peace of mind for its customers. Our success is underpinned by our strong security ethos and the commitment to DP World.”

PCFC Security Department is entrusted with regulating and controlling all security aspects of business units under Dubai World. Through its arm World Security, the Department is responsible for upholding international and national security standards and serving the diverse needs of a growing international port and free zone.

DP World’s flagship Jebel Ali Port has won three coveted awards from the Higher Committee for UAE Civil Seaports & Airports Security for adherence to the highest levels of security requirements, which include implementing the International Ship and Port Facility Security (ISPS) Code to enhance security of ships and port facilities, and providing specialist training to security teams. Jebel Ali was certified Best Port Overall, Best Port in Qualifying & Training and Best Port in Emiratisation.
