## Proxies

Holders of ordinary shares entitled to attend and vote may appoint one or more proxies to attend and, on a poll, vote in their place at general meetings of the Company. Any proxy so appointed need not also be a shareholder.

## EXPLANATORY NOTES

Resolutions 1 to 9 are ordinary resolutions. For an ordinary resolution to be passed, the number of votes given in favour of the resolution must exceed 50 per cent. of all votes cast (in person or by proxy).

### Resolution 1 - Approval of the Accounts and the Auditors Report

The Company is required to present its audited accounts for the year ended 31 December 2009 and the accompanying auditors' report to shareholders at its AGM for discussion and, if thought fit, approval. This provides the shareholders with an opportunity to discuss the performance of the Company during the year, its management and prospects for the future.

Copies of the audited accounts and the auditors' report will be available at the AGM. Alternatively, copies are available on the DP World website ([www.dpworld.com](http://www.dpworld.com)).

### Resolution 2 - Dividend Declaration

In accordance with the Articles, the Company may, by shareholders passing an ordinary resolution, declare a dividend to be paid. This dividend cannot exceed the amount recommended by the directors. The shareholders are being asked to declare a dividend for the 2009 financial year, as recommended by the directors, of 0.82 of a US cent per share. If approved, the dividend will be paid on 3 May 2010 to those shareholders entered on the relevant register of shareholders as at 6.00 pm on 1 April 2010.

### Resolutions 3, 4 and 5 - Re-election of Directors

The Articles state that at each AGM one-third of directors who are subject to retirement by rotation shall retire from office. In accordance with the Articles, the directors that will retire and be proposed for re-election will be Cho Ying Davy Ho, Mohammed Sharaf and Yuvraj Narayan.

Full biographical details for each of the directors seeking re-election are included in the Annual Report.

### Resolutions 6 and 7 - Auditors

The Company's auditors must at each AGM be re-appointed to hold office from the conclusion of that meeting until the conclusion of the next AGM.

The Audit Committee of the Company keeps under review the independence and objectivity of the external auditors and, after considering relevant information, the Audit Committee has recommended to the directors that KPMG LLP be re-appointed.

Resolutions are proposed to re-appoint KPMG LLP as auditors and to authorise the directors to determine their remuneration.

### Resolution 8- Share Re-purchase

The Company is seeking the authority to buy back a limited number of shares. Obtaining authority to buy back shares is common international practice and the right to do so would be exercised by the directors only in circumstances in which they believe this to be in the best interests of shareholders.

### Resolution 9 - Authority to Allot shares

In accordance with the Articles, the directors have general and unconditional authority to allot or issue unissued shares of the Company but may not exercise any power to allot or issue Relevant Securities unless they are authorised to do so by a resolution of the shareholders in general meeting.

This resolution seeks shareholder approval to allow the directors generally to allot or issue ordinary shares of the Company with a nominal amount of up to one third of the current issued ordinary share capital.

At present, the directors have no plans to allot or issue any ordinary shares of the Company.

Resolutions 10 to 12 are special resolutions. For a special resolution to be passed, the number of votes given in favour of the resolution must represent at least 75 per cent. of all the votes cast (in person or by proxy).

### Resolution 10 - Disapplication of Pre-emption Rights

Article 7 of the Articles provides that the Company shall not allot equity securities, save for such allotments set out in Article 7.3 of the Articles, unless an offer on the same or more favourable terms has been made to each person who holds ordinary shares of the Company of a proportion of those Equity Securities which is as near as practicable equal to the proportion in nominal value held by him of the ordinary share capital of the Company (a "Pre-emption Right").

Where the directors are generally authorised to allot Relevant Securities, this Pre-emption Right may be disapplied in accordance with Article 8 of the Articles.

The disapplication of Pre-emption Rights sought is for the allotment of Equity Securities with a nominal value of up to US\$83,000,000, representing 5 per cent. of the nominal value of the current issued ordinary share capital.

#### **Resolution 11 – Reduction of Share Capital**

Authority is sought to reduce the Company's issued share capital by cancelling any or all of the ordinary shares purchased by the Company pursuant to Resolution 8.

#### **Resolution 12 – Adoption of New Articles of Association**

Further to the Company's announcement on 6 January 2010 of its intention to seek a dual listing on the London Stock Exchange, this resolution seeks shareholder approval for the Company, conditional on the admission of the Company's entire issued share capital to (i) the Official List of the UK Financial Services Authority; and (ii) trading on the London Stock Exchange ("Admission"), to adopt new articles of association (the "New Articles") in substitution for, and to the exclusion of, the Articles primarily to reflect certain aspects of the UK regulatory regime which will be applicable to the Company on Admission and to accommodate the use of depository interests.

The principal changes introduced in the New Articles are set out below. Other changes which are of a minor, technical or clarifying nature are not noted.

- **UK regulatory regime**  
On Admission, the Company will be required to comply with certain aspects of the UK regulatory regime. This includes certain rules of the UK Financial Services Authority which are applicable to non-UK companies with a premium listing on the London Stock Exchange (including, for example, with respect to the notification of significant holdings of voting rights in the Company). It is a requirement of Admission that the applicable aspects of these regimes are complied with.  
Certain amendments are proposed to be made to the Articles to reflect the applicability of these requirements.
- **Depository Interests**  
To be eligible for Admission, the Company's shares must be eligible for electronic settlement. In the UK, this means settlement through the UK's CREST system. Currently, CREST does not permit the settlement of securities issued by, effectively, non-UK companies and, therefore, the Company proposes to make use of depository interests to facilitate the settlement of the Company's shares in London.  
  
On Admission, the Company's shares will be admitted to trading on the London Stock Exchange. Members wishing to trade in London will place their shares into the depository interest facility, receiving depository interests representing those shares in return, and transactions in depository interests will then settle in the CREST system.  
  
Certain amendments are proposed to be made to the Articles to facilitate implementation of the depository interest arrangements and to clarify the position of the Company's selected depository, and depository interest holders, with respect to the application of the New Articles and certain aspects of the UK's regulatory regime. This does not affect the existing settlement process on NASDAQ Dubai for members who wish to continue trading in Dubai.
- **Other**  
It is proposed that the ability of members to act by written resolution is removed. This provision is not practicable in the context of a listed company and also reflects a change to the UK Companies Act (since the Articles were adopted) on which the equivalent provision in the Articles is based.

A copy of the New Articles and a copy of the current articles of the Company marked to show the proposed changes will be available for inspection at [www.dpworld.com](http://www.dpworld.com) and at the office of the Company from 24 March 2010 until the time of the AGM and at The Wheelhouse, Jebel Ali Free Zone, Dubai, United Arab Emirates from 15 minutes before the AGM until it ends.
