Proxies

Holders of ordinary shares entitled to attend and vote may appoint one or more proxies to attend and, on a poll, vote in their place at general meetings of the Company. Any proxy so appointed need not also be a shareholder.

EXPLANATORY NOTES

Resolutions 1 to 14 are ordinary resolutions. For an ordinary resolution to be passed, the number of votes given in favour of the resolution must exceed 50 per cent of all votes cast (in person or by proxy).

Resolution 1 - Approval of the Accounts and the Auditors Report

The Company is required to present its audited accounts for the year ended 31 December 2016 and the accompanying auditors' report to shareholders at its AGM for discussion and, if thought fit, approval. This provides the shareholders with an opportunity to discuss the performance of the Company during the year, its management and prospects for the future.

Copies of the audited accounts and the auditors' report will be available at the AGM. Alternatively, copies are available on the DP World website (www.dpworld.com).

Resolution 2 - Dividend Declaration

In accordance with the Articles, the Company may, by shareholders passing an ordinary resolution, declare a dividend to be paid. This dividend cannot exceed the amount recommended by the directors. The shareholders are being asked to declare a dividend for the 2016 financial year, as recommended by the directors, of 38 US cents per share. If approved, the dividend will be paid on 4 May 2017 to those shareholders entered on the relevant register of shareholders as at 5.00 pm (UAE time) on 28 March 2017.

Resolutions 3 to 10 – Re-election of Directors

The Articles require that each director appointed to the Board retire and seek re-election on an annual basis at each AGM.

Having considered the performance and contribution made by each of the directors (with the relevant director abstaining from consideration of his own performance and contribution), the Board is satisfied that each of them continues to be effective and demonstrates commitment to their respective roles. Consequently, the Board recommends that each director be re-elected.

Full biographical details for each of the directors are included in the Annual Report.

Resolutions 11 and 12 - Auditors

The Company's auditors must at each AGM be re-appointed to hold office from the conclusion of that meeting until the conclusion of the next AGM.

The Audit Committee of the Company keeps under review the independence and objectivity of the external auditors and, after considering relevant information, the Audit Committee has recommended to the directors that KPMG LLP be re-appointed. Resolutions are proposed to re-appoint KPMG LLP as auditors and to authorise the directors to determine their remuneration.

Resolution 13 - Authority to Allot Shares

In accordance with the Articles, the directors have general and unconditional authority to allot or issue unissued shares of the Company but may not exercise any power to allot or issue Relevant Securities unless they are authorised to do so by a resolution of the shareholders in a general meeting.

This resolution seeks shareholder approval to allow the directors generally to allot or issue ordinary shares of the Company with a nominal amount of up to one third of the current issued ordinary share capital. No ordinary shares are held by the Company as treasury shares.

At present, the directors have no plans to allot or issue any ordinary shares of the Company.

Resolution 14 - Share Re-purchases

The Company is seeking the authority to buy back a limited number of its shares. Obtaining authority to buy back shares is common international practice and the right to do so would be exercised by the directors, subject to Dubai Financial Services Authority approval, only in circumstances in which they believe this to be in the best interests of shareholders. If such right was exercised, the Company would expect to cancel any shares subject to the buy-back. The Company has not issued any options or warrants to subscribe for ordinary shares.

Resolutions 15 and 16 are special resolutions. For a special resolution to be passed, the number of votes given in favour of the resolution must represent at least 75 per cent of all the votes cast (in person or by proxy).

Resolution 15 - Disapplication of Pre-emption Rights

Article 7 of the Articles provides that the Company shall not allot Equity Securities, save for such allotments set out in Article 7.3 of the Articles, unless an offer on the same or more favourable terms has been made to each person who holds ordinary shares of the Company of a proportion of those Equity Securities which is as near as practicable equal to the proportion in nominal value held by him of the ordinary share capital of the Company (a "Pre-emption Right").

Where the directors are generally authorised to allot Relevant Securities, this Pre-emption Right may be disapplied in accordance with Article 8 of the Articles.

The disapplication of Pre-emption Rights sought is for the allotment of Equity Securities with a nominal value of up to US\$ 83,000,000, representing 5 per cent of the nominal value of the current issued ordinary share capital.

Resolution 16 – Reduction of Share Capital

Authority is sought to reduce the Company's issued share capital by cancelling any or all of the ordinary shares purchased by the Company pursuant to Resolution 14 (*Share re-purchases*).

Notes

As at the date of this Notice, there were 830,000,000 ordinary shares of US\$ 2.00 each in issue, each with equal voting rights.

Entitlement to Attend and Vote

Only those shareholders entered on the relevant register of shareholders as at 5:00 pm (UAE time) on 28 March 2017 (the record date) shall be entitled to vote at the AGM in respect of the number of shares registered in their name at that time. Changes to entries in the register of members after 5:00 pm (UAE time) on 28 March 2017 shall be disregarded in determining the rights of any person to attend or vote at the AGM.
