

DP WORLD DELIVERS COOL COMFORT TO DUBAI CENTRE FOR SPECIAL NEEDS

Team of experts from Jebel Ali Port installs air-conditioning system in time for the summer months

Dubai, United Arab Emirates, June 20, 2013:- In a timely move ahead of the harsh summer months, premier regional port operator DP World, UAE Region has installed a brand new, air-conditioning system at the Dubai Centre for Special Needs.

A dedicated team of management, marketing, procurement and technical experts from DP World flagship Jebel Ali Port carried out a thorough inspection of the existing cooling system and drew up new refurbishment plans before installing the AED 220,000 massive new air-conditioners at no cost to the Centre.

The completed, fully-functioning system was symbolically handed back to the Centre's management during a brief ceremony attended by Abdullah Khalfan, Director - Projects Development Department, DP World, UAE Region, and Masoud Al Noori, Director - Human Resources Department, DP World, UAE Region, Dr. Mahshid Salehi, Director of Dubai Center for Special Needs, staff and students of the Centre.

During their visit the DP World officials interacted with the students, who presented their artistic work and plays.

Commenting on the occasion, **Mohammed Al Muallem, Senior Vice President and Managing Director, DP World, UAE Region** said:

"We are delighted to support the Dubai Centre for Special Needs, which has been doing a wonderful job of educating these special members of our society in order to ensure a brighter future for them. DP World remains committed to provide reach out to charitable, non-profit organisations like the Centre as part of our responsibility towards the community in which we operate."

Dr. Mahshid Salehi, Director of Dubai Center for Special Needs, said:

"The Dubai Center for Special Needs depends on the generosity of individuals and companies in sustaining its work. By refurbishing and upgrading the Centre's air-conditioning system DP World, UAE Region has earned our gratitude and good wishes of the entire family of our students and staff. It will go a long way in supporting our mission of improving the quality of life of people with special needs of all ages and their families."
