## **DP WORLD LIMITED UPDATE TO REVOLVING CREDIT**

**Dubai, UAE 19 June 2013:** DP World has extended the maturity date of its US\$1 billion Revolving Credit Facility, from the second quarter of 2017 to the second quarter of 2018 at more attractive market terms.

As previously announced, the facility provides DP World with flexibility to manage cash flow and investment in its portfolio. This flexibility is now available for a further year. Plans to utilise the facility remain unchanged.
