DP WORLD CHAIRMAN MEETS PRESIDENT OF GAMBIA

Builds on the warm relationship between the UAE and Gambia

Dubai, UAE, 23 June 2014:- DP World Chairman HE Sultan Ahmed Bin Sulayem has met with the President of Gambia, His Excellency Sheikh Professor Alhaji Dr. Yahya Jammeh, in Banjul, together with senior company officials, to build on the existing warm relationship between the UAE and Gambia and explore possible future opportunities for co-operation.

DP World Chairman HE Sultan Ahmed Bin Sulayem said:

“We are honoured to meet His Excellency during our visit and are impressed with his commitment to growing his country’s economy. Attracting trade and foreign investment to Gambia will help boost its economic development to the benefit of the community and the country as a whole.

“There are many areas of possible opportunities for co-operation between the UAE and Gambia and considerable potential in developing the relationship between our two countries to the benefit of both.”
