Dubai, June 12, 2014: DP World Limited (the “**Company**” or “**DP World**”) today (June 12, 2014) announces the launch of USD \$1 billion senior unsecured convertible bonds due 2024 (the “**Bonds**”) convertible into ordinary shares of DP World (“**DP World Shares**”). The Bonds will bear interest at an annual rate of between 1.50% and 2.00% and the conversion price is expected to be set at between 35% and 40% premium over the share price.

The net proceeds of the Bonds will be used to take advantage of organic and inorganic growth opportunities, diversify funding sources and general corporate purposes.

The final terms of the Bonds are expected to be determined and announced later today and settlement is expected to take place on or about 19 June 2014. It is intended that, following settlement of the Bonds, an application will be made for the Bonds to be listed on the Open Market (Freiverkehr) segment of the Frankfurt Stock Exchange.

J.P. Morgan Securities plc is acting as Global Coordinator, Joint Bookrunner and settlement agent on the Bond offering. Citigroup Global Markets Limited, HSBC Bank plc and UBS Limited are each acting as Joint Bookrunners on the Bond offering.

The Company plans to issue the Bonds with investor puts, at par plus accrued interest, in year 4 and year 7. The conversion price is expected to be set at between a 35% and 40% premium over the Reference Share Price on the pricing date.

The “**Reference Share Price**” will be equal to the volume-weighted average share price of the DP World Shares between opening and close of trading on NASDAQ Dubai on 12 June 2014. Unless otherwise redeemed, purchased, converted or cancelled, the Bonds will be redeemed at par on maturity, in accordance with the Terms and Conditions of the Bonds.

The Company will have the right to redeem all outstanding Bonds at par plus accrued interest after the date falling 3 years and 15 days following the settlement of the Bonds if (i) the

aggregate value of the DP World Shares per Bond for a specified period of time exceeds 130% of the principal amount of each Bond or (ii) 85% or more of the Bonds initially issued shall have been converted, redeemed or purchased and cancelled. Upon exercise of conversion rights in respect of any Bond, the Company may elect at its full discretion to cash-settle such Bond, in whole or in part, pursuant to the Terms and Conditions of the Bonds.
