

DP WORLD UAE REGION WINS OUTSTANDING ACHIEVEMENT AWARD AT SCATA 2015

Dubai, United Arab Emirates, May 05, 2015:- DP World UAE Region, the regional leading marine terminal operator, has won the Outstanding Achievement Award from the Supply Chain & Transport Awards (SCATA) 2015.

The SCATA's ninth gala was held recently in Dubai to highlight leadership and innovation in the regional logistics industry. DP World UAE Region, Commercial Account Manager, Esam Ahmed received the Outstanding Achievement Award.

Mohammed Al Muallem, Senior Vice President and Managing Director of DP World UAE Region, said:

“Jebel Ali Port remains a gateway of choice across the world with the supply chain playing a vital role in boosting trade and economic growth. We are delighted to win the SCATA award for the seventh year especially the outstanding achievement category. We will continue our key role in supporting Dubai's leading position as a hub for trade and business.”

Abdulla Bin Damithan, Director of Commercial, DP World UAE Region, said:

“As a world class business, it is important to enable synergy between our customers and employees which underpins our continuous achievement and performance. We have first class logistics capabilities that nurture trade in the UAE, GCC, Middle East and the wider region, and are constantly striving to enable growth in this sector”.

SCATA celebrates the logistics, air cargo and sea freight communities in the Middle East and was attended by supply chain leaders across the industry.
