

Mundra International Container Terminal honoured as the 'Container Terminal of the Year' at The Gateway Awards

Mumbai, August 21st 2015: Mundra International Container Terminal (MICT) received the prestigious Gateway Award for **Container Terminal of the Year** in recognition of its outstanding performance, operational excellence, phenomenal growth in throughput and breaking the one-million-TEU mark.

The award was received by Mr. Tejas Nataraj CEO MICT, in the presence of a distinguished gathering of business leaders at the Eighth Annual Gateway Awards presentation ceremony held at The Lalit, Mumbai.

Speaking on the occasion, **Anil Singh, Senior Vice President and Managing Director Subcontinent, DP World**, said: "At DP World, we have always strived to be ahead of the curve by offering the best services and facilities. We consider this award as an acknowledgement of our efforts in making MICT a world-class container terminal, and it inspires us to set higher standards in the industry."

Further commenting on the award, **Tejas Nataraj, Chief Executive Officer, MICT** said, "We feel privileged with this accolade given by the Gateway Awards. At MICT, we always endeavour to increase our operational efficiency and constantly invest in infrastructure, equipment, technology and training to ensure a fast turnaround of vessels. We will continue to keep this momentum going along with delivering world class services to our clients."
