

ACQUISITION OF COSMOS AGENCIA MARITIMA

DP World acquires fully integrated logistics services provider in Peru

Dubai, UAE, 18 March 2018: Global trade enabler, DP World announces the acquisition of Cosmos Agencia Marítima S.A.C. (CAM)¹ for \$315.7²million. Based in Peru, CAM owns a fully integrated logistics service business (Neptunia S.A and Triton Transport S.A) that offers end-to-end solutions to its customers. The logistics division offers an integrated platform of solutions in activities related to foreign trade, product storage and distribution, as well as freight services that facilitate development and implementation of industry specific projects.

In addition to the maritime and logistics services offered by Cosmos Group, it also has a 50% stake in Terminales Portuários Euroandinos S. A., in the Port of Paita (Peru), which is the second largest container terminal in the country.

Sultan Ahmed Bin Sulayem, Group Chairman and CEO, DP World, said: "We are delighted to add Cosmos Agencia Marítima into the DP World portfolio and this acquisition supports our recent strategy of extending our core business into complementary sectors.

"The acquisition not only extends our footprint in Latin America, a region which we believe has significant growth potential but importantly adds to our existing presence Peru, where we already operate a container terminal in the port in Callao – a terminal that is one of the most efficient and productive³ in the region and has been consistently ranked as the best port in South America by its customers. The addition of CAM will allow us to offer improved solutions to our customers and the option of alternative container capacity. Overall, we expect this acquisition to further diversify our revenue, improve the quality of our earnings and drive returns."

About DP World:

DP World is a leading enabler of global trade and an integral part of the supply chain.

We operate multiple yet related businesses – from marine and inland terminals, maritime services, logistics and ancillary services to technology-driven trade solutions.

We have a portfolio of 78 operating marine and inland terminals supported by over 50 related businesses in 40 countries across six continents with a significant presence in both high-growth and mature markets. We aim to be essential to the bright future of global trade, ensuring everything we do has a long-lasting positive impact on economies and society.

Our dedicated team of over 36,000 employees from 103 countries cultivates long-standing relationships with governments, shipping lines, importers and exporters, communities, and many other important constituents of the global supply chain, to add value and provide quality services today and tomorrow.

Container handling is the company's core business and generates more than three quarters of its revenue. In 2017, DP World handled 70.1 million TEU (twenty-foot equivalent units) across our portfolio. With its committed pipeline of developments and expansions, the current gross capacity of 88.2 million TEU is expected to rise to more than 100 million TEU by 2020, in line with market demand.

By thinking ahead, foreseeing change and innovating we aim to create the most productive, efficient and safe trade solutions globally.
