<u>Description of Certificates</u>	<u>Issuer</u>	<u>ISIN</u>	<u>Aggregate Principal Amount Outstanding</u>	<u>Purchase Price</u>	<u>Certificates subject to the Offer</u>

In respect of any Certificates accepted for purchase, the Company will also pay an amount equal to any accrued and unpaid periodic distribution amounts on the Certificates from, and including, the periodic distribution amount payment date for the Certificates immediately preceding the Tender Offer Settlement Date up to, but excluding, the Tender Offer Settlement Date.

Capitalised terms used in this announcement but not otherwise defined have the meanings given to them in the tender offer memorandum dated 10 September 2018 (the "**Tender Offer Memorandum**"). The Offer is subject to certain restrictions, as further described below.

The Offer will expire at 16:00 hours (London time) on 17 September 2018 (the "**Expiration Deadline**") unless extended, withdrawn or terminated early at the sole discretion of the Company.

Rationale for the Offer

The Group is (subject to the New Financing Condition), among other objectives, currently seeking to optimise its liability portfolio and reduce the cost of its outstanding liabilities. To support these objectives, the Group wishes to use the proceeds of the New Certificates to reduce the amount of its outstanding liabilities.

New Financing Condition

The Company is not under any obligation to accept for purchase any Certificates tendered pursuant to the Offer. The acceptance for purchase by the Company of Certificates tendered pursuant to the Offer is at the sole and absolute discretion of the Company and tenders may be rejected by the Company for any reason.

The Company and DP World Crescent Limited announced on 10 September 2018 the intention to issue new U.S. Dollar-denominated certificates (the "**New Certificates**"). Whether the Company will accept for purchase Certificates validly tendered in the Offer is subject (unless such condition is waived by the Company in its sole and absolute discretion), without limitation, to the successful completion of the issue of the New Certificates or such other financing as the Company may determine on terms acceptable to it (in each case as determined by the Company in its sole and absolute discretion) (the "**New Financing Condition**").

This announcement is not an offer to buy or sell, or a solicitation of an offer to sell or buy, any New Certificates or other securities in the United States. Securities may not be offered or sold in the United States absent registration under, or an exemption from, the registration requirements of the Securities Act. The New Certificates have not been, and will not be, registered under the Securities Act or the securities laws of any state or other jurisdiction of the United States, and may not be offered, sold or delivered, directly or indirectly, within the United States or to, or for the account or benefit of, U.S. persons, except pursuant to an exemption from, or in a transaction not subject to, the registration requirements of the Securities Act and applicable state securities laws.

New Issue Priority

A Certificateholder that wishes to subscribe for New Certificates in addition to tendering Certificates for purchase pursuant to the Offer will receive priority (the "**New Issue Priority**") in the allocation of the New Certificates, subject to the issue of the New Certificates and such Certificateholder making a separate application for the purchase of such New Certificates to the Lead Dealer Managers (in their capacity as managers of the issue of the New Certificates) in accordance with the standard new issue procedures of such manager, and the terms and conditions set out in the Tender Offer Memorandum. The aggregate principal amount of New Certificates, if any, for which New Issue Priority will be given to such Certificateholder will, subject to the sole and absolute discretion of the Company, be up to the aggregate principal amount of Certificates validly tendered by such Certificateholder in the Offer and accepted for purchase by the Company. To be eligible to receive New Issue Priority, a Certificateholder will need to follow the procedure set out in "*Procedure for obtaining New Issue Priority*" in the Tender Offer Memorandum.

Offer Conditions

An offer of Certificates for purchase may only be made by the submission of a valid Tender Instruction. The Company will only accept tenders with respect to the Certificates from a Certificateholder (or any person acting as agent, custodian, fiduciary or other intermediary capacity for a Certificateholder) who is not a U.S. person (as such term is defined pursuant to Regulation S under the Securities Act) and who is outside the United States.
